Dear Majesty,
I'm an English teacher in Italy
and I've sometimes written
to you personally in the past.
This time, instead, I'm writing
on behalf of my students of
the Business classes 2ASC,
3ASC and 4ASC and of the
Graphics classes 1ATG, 2ATG
and 2BTG.
All of them would like to
express their love and devotion
to  you as they have learned
to know about you through
their studies of the British
culture and the English language

during their school life.
So, our loved Queen, I and
they wish you a
Great Christmas 2019 and
a Happy New Year 2020!

The Queen thanks you, very much, for your card and for the kind message you sent at Christmas.

Although it is not possible for Her Majesty to reply to you personally, owing to the large number of letters she receives every day, The Queen was pleased to hear from you and greatly appreciates your thoughtfulness in writing at this time.
